Whether you own property or a condo or lease a marina slip or dry boat storage, it's *the* big event at PK!

In just a few weeks, the 4<sup>th</sup> of July weekend will arrive, and the PK Chamber of Commerce will again sponsor the annual fireworks display at Hell's Gate. **Fireworks will start around sundown on Saturday, July 4;** and we will have **security guards posted at the front entrance from Friday, July 3 until after the fireworks on July 4.**

During this time, entry to Sportsman's World will be by property identification number only. Both you and your guests will need to give the guards your name and property ID number, which is listed at the top of this letter. In general, your property ID number is your Section #, Block #, Lot #. Please use the pavilion parking area for any overflow parking that you need.

***We've simplified the guest pass process!***

- Guests will state your name as it appears on the letter that you received.
- Guests will provide your property ID number at the top of your letter.
- The guards will verify your name and property ID number and allow your guests to enter.

***It is your responsibility to ensure that your guests have your name and property ID number. Have them call you by phone if they arrive at the entrance to Sportsman's World without this information.***

Please remind your guests that all properties in Sportsman's World are privately owned and should be respected. Your guests are welcome to use the pavilion, pool, tennis courts and playgrounds. No camping on your neighbor's vacant lot or driving ATVs on the paved roads, please.

Fireworks are not allowed within Sportsman's World. Violators will be reported to the Sheriff's Office or to the Brazos River Authority. Uniformed officers will also be patrolling within the development during this time.

**In the event of an emergency, call 9-1-1.** Other numbers to have on hand:
