

Clearing Burned Properties

For your convenience, a list of service providers is available. Please note that this is not a recommendation and you will need to contact providers to determine if they meet your requirements.

Matrix Demolition Rodney Mays 817-597-8490 rodney@matrixdemolition.com

Special offer for Sportsman's World:

- \$700 per acre to clear trees and pile in a stack; no less than one acre will be billed
- Price per acre is a flat rate; size of trees, slope and size of lot do not change the rate charged
- Trees can be mulched and left onsite to decompose to provide organic nutrients or hauled off
 - \$200 per hour to grind trees with a tub grinder, typically finished in one hour for a lot/acre
 - \$200 to haul the trees off, based on a 60-yard truck load
